Dear Parent/Carer,

As the school continues to be closed we have decided to use a remote learning platform to enable us to stay connected over this difficult time. This will enable your child's class teacher to share work and allow your child to upload any work they have done. It also provides your child's class teacher to stay in touch and answer any questions you may have with regards to work.

For this we are going to be using Class dojo. It is simple and free to sign up to. All you have to do is download the app and create an account. Please follow the steps below.

1. Download the Class Dojo app or login in on your desktop at [www.classdojo.com](http://www.classdojo.com)
2. Create an account
3. Select your child's school and enter their year group and name
4. Send a request to your child's class teacher

Once your child's class teacher has accepted your request you will then be connected and be able to access work and share work.

If you have any problems creating your account please email the office as we are not always able to answer the phone during the current situation due to staff shortages.

Kind regards

Mrs Redmond
