Dear Parents/Carers

Thank you for your patience regarding the possible wider opening of Coomb Briggs Primary School. As you can imagine there are lots of things to consider in order for us to open for more children safely. We have had a risk assessment meeting with the Local Authority Health and Safety team who conducted a thorough assessment of the school site. Following this risk assessment we are now able to tell you that we will be able to open to wider year groups from Monday 15th June, however, we will only be able to accept a limited number of children due to the size of our classrooms and number of teaching staff.

Due to an increase in the number of Key worker children we now have two 'bubbles' and the children will now stay in these groups. This is to minimize any possible further spread of infection and is in line with Government guidance. If you have a place for your child as a Key worker you will have been notified, if there are any problems with this then please let us know. We kindly ask that you inform us as far in advance as possible if you require your Key worker place as this will allow us to plan staffing. As always, we will have two members of staff with each bubble and a first aider will be on site at all times.

We continue to work extremely hard to ensure we are doing the very best for your families and for our staff, please be patient with us. This is an ever changing situation and is constantly under review. If you have any concerns or queries please do not hesitate to contact us, we continue to be open every week day.

Stay safe and hopefully we will see you all soon.

Yours truly,

Mrs Helen Redmond

Mrs V Crosby

Headteacher

Chair of Governors
