Dear Parent/Carer

We can't hide from the fact that cases of Covid-19 are continuing to rise across the country. Several schools in our area are already affected and, although, we have no actual cases in school, we are seeing a small rise in the number of parents with the virus. Of course, we send our very best wishes to anyone who is ill and hope they make a swift recovery.

If, as a parent or carer you contract Covid-19 please let us know as soon as you possibly can as your children will need to stay at home and self-isolate with you for 14 days. We will provide work on line via Class Dojo and make sure this is linked to what is going on in their class so that your children can continue their learning.

We continue to do all that we can in school to ensure we are keeping everyone safe and would politely ask that you do the same and follow all the appropriate government guidance.

Please remember to social distance at the school gate and do not arrive before 8.45a.m. in the morning or your allotted time in the afternoon.

Thank you for your continued support – by working together we can ensure things run as smoothly as possible however, if you have any concerns please do contact me.

Your truly

Mrs Helen Redmond
Headteacher
