2nd July 2020

Dear Parent/Carer

As we are nearing the end of the summer term, I would like to thank all of our parents, carers and children for all of your patience, understanding and efforts during the partial school closure. I know this has not been an easy time for all and we are looking forward to September, when we hope to be able to return to some kind of normality with all pupils from all year groups being welcomed back.

As normal, we will be sending out an end of year report for each child at the end of this summer term. These reports will be hand delivered to parents, week commencing Monday 13th July. There will also be some transitional information about the new class, classroom and teacher. However, if after receiving the pack, you have any questions, please do contact us via phone or email and we will be happy to help.

We are hoping to receive more information on how schools will look in September over the next 10 days and as soon as we have this then we will be able to send further information to you.

The Secretary of State for education announced on Tuesday that the government do not expect schools to remain open over the summer holidays. Therefore, for those of you who are already in school, the last day for the children will be Friday 17th July. This is to allow the school to have a deep clean and staff to begin to rearrange classrooms ready for September.

I personally would like to thank all of the staff at Coomb Briggs who have worked tirelessly over the last few months to ensure school remained open for children of keyworkers and vulnerable children, especially those staff who worked through all the school holidays and Bank Holidays. It has not been the easiest of times and I hope that everyone has a well-deserved rest over the summer break. Also, thanks to the staff who have planned and supported our online learning via Class Dojo.

When we do return in September routines in the morning for dropping off children are likely to be very different to what they were before the pandemic. We will send out some general routines before the holidays but please keep an eye out during the last week of the holidays for confirmation of these and further instructions.

I hope you all have a great summer holiday and that we return refreshed and ready to catch up with friends, colleagues and lots of learning in September!

Kind regards

Mrs Helen Redmond
Headteacher
