Dear Parent/Carer

I am delighted that we have been able to open and welcome the children back into school.

Although we still have some staff off, everyone is slowly getting back to normal and recovering and I am hopeful that in due course all staff will return fit and healthy.

We will endeavour to cover classes with internal staff if teachers are off, we have some highly skilled teaching assistants who are amazing with the children and this allows for continuity within the classes. Class teachers will continue to set work which the TAs will deliver. However, there may be times when we need to use supply teachers in order to keep our school open. We have an agreement with a local supply agency that if we need to use any of their staff, they will ensure that the teacher we use will not have been in another school in the days leading up to them visiting us. Any visiting teacher will be expected to fully follow our risk assessment and procedures. This will hopefully minimise as much risk as possible whilst allowing us to stay open. The last thing we want to do is have to close school again due to a shortage of staff.

We will do everything we can to ensure we stay open in a safe way.

If you have any concerns regarding this then please do not hesitate to contact me to discuss them further.

Mrs Redmond
