5<sup>th</sup> November 2020

Dear Parent/Carer

## Birthday Celebrations in School

We have seen a wonderful idea from another school and we think it is something really special that we would like to introduce here at Coomb Briggs.

As a result of the current Covid restrictions, many children are missing out on celebrating their birthday with family and friends as they usually would, with parties or gatherings not allowed during this time.

We understand our children have already had so many changes and had to adapt to new rules and regulations both at home and at school, and their emotional wellbeing is something that is very important to us. Therefore, we would like to give them the opportunity to celebrate their birthdays in school with their class friends!

We have decided we will hold a birthday party within each class on the last Friday afternoon of each month, this will be to celebrate all children who have had their birthday that month. All children will have their lunch as normal on that day but during the afternoon, school will provide fun games, activities, snacks/treats and a party atmosphere. If you wish to send in individually wrapped small bags of sweets or cake bars then please can they be in school by the Wednesday morning before?

Children must still come to school in their normal school uniform.

If your child has already had their birthday during September and October, they will be included in the first birthday celebration at the end of November.

We look forward to giving every child the opportunity to celebrate with their friends and mark their special day!

Kind regards

Helen Redmond
