Dear Parent/Carer

It has come to our attention that some of our younger children are walking home alone after school. In order to ensure the safety of all of our children, please could we ask that you let us know if your child will be walking home alone by completing the slip below. This applies to Year 3-6 ONLY. If we do not receive it as written permission then your child will be kept at school until someone picks them up.

If someone other than yourself is picking your child up, then please let the office know. You will be asked to provide a password on the day, it can be anything, but the person collecting your child will also need to give us the same password.

These steps are being taken in order to make sure all of our children are kept safe, especially with darker nights and winter soon on the way. We appreciate your co-operation in both of these matters.

As always, if you have any concerns or queries please do not hesitate to contact me and I will do my best to sort it out. After all, if there is an issue and we don't know about, we can't help to make things better.

Your truly

Mrs Helen Redmond
Headteacher
