July 2021

Well, here we are, almost at the end of another school year and what a year it has been! Our children have shown both resilience and patience and have worked so hard since being back in school full time – they should be incredibly proud of themselves!

As you will be aware, all Covid restrictions are being lifted on 19th July by the government however, as we are so close to the end of term and following guidance from Public Health, we will be keeping our Covid secure guidelines in place until we break up on 23rd July. With this in mind, please continue to wear face coverings when on the school site at home time and remember to social distance from others.

In September we hope to be able to go back to our old hometime routine of children being collected from their classrooms by parents. Information will be sent out on the first day back regarding this.

We will however, keep our morning routine the same. Children may arrive at school between **8.45 a.m.** and **9.00 a.m.** and will be met by staff at the gate who will direct them to their classrooms. For safeguarding reasons we will continue to use only the main gate.

On the afternoon of Thursday 22nd July we are lucky enough to have an ice cream van visiting school. Bensleys Homemade Ice-cream will be with us the whole afternoon, their ice-cream is amazing! Should you wish your child to have an ice-cream please send £2 with them on the day.

On the last day of term the children may bring a toy or a game to play with. Please do not send electronics or mobile phones for them to use. Anything the children do bring in will be their responsibility, unfortunately we can take no responsibility for any loss or breakages.

Our Friends of School group has been running for a long time. Over the years they have raised lots of money for the school which has been used to support your children. Unfortunately we are now in a position where most of our current members no longer have children left at this school and we are in danger of losing this vital group. We would love to be able to keep the group going as it is a lifeline of support for the school. If you feel you have time to spare – it really doesn't need to be lots – please contact the school office in the first instance. We have a great set of parents and it would be a shame to see this group go.

We finish for summer on Friday 23rd July. EYFS and KS1 will leave at 2.00 p.m. and KS2 will leave at 2.05 p.m. I hope you all have a fantastic summer and we look forward to seeing everyone back in September!

Your truly,
Mrs Helen Redmond
Headteacher
