21ST June 2022

Dear Parent/Carer,

It has been brought to my attention that some children in KS2 are involved in group chats on What's App and Messenger. These chats are then being used to invite children to take part in the "Super Dare of 2022", this is from a website called "Yosecreto".

The website not only has the "Super Dare" but also several, very adult, sections on it.

Children are asked to put their full name in, followed by their date of birth and then at times, their address. They are then asked to complete a series of questions and a dare is then selected for them to take part in.

This raises concerns that not only are the children putting in their details to an 'adult' website but also some of the dares can be extremely dangerous and may result in serious injury. Please can I urge that if your child has a mobile phone that you check it regularly to see what they are going on. The minimum age for What's App is 16, having been raised from 13 in 2018.

We regularly do E-safety in school with the children and try and make them aware of the dangers of inappropriate websites however, your support in this is also a key part. If you have any questions at all then please do not hesitate to contact us via the office.

Yours truly,

Helen Redmond

Headteacher
