Dear Parent/Carer,

Y5/6 Student Survey

As you know, at Coomb Briggs, we are committed to ensuring that each and every child is happy and healthy.

As part of our commitment to this, we want to get a better understanding of how well we are doing to support the health and wellbeing of our pupils.

Shortly, our primary school will be taking part in a pilot survey which has been developed by the Public Health Team at North East Lincolnshire Council. This will help us to understand what children in Years 5 and 6 think about their health, wellbeing and personal safety.

All responses to the survey will be confidential. If your child takes part, they won't have to give their name, address, or any other personal details. Survey results will only be shared with the Public Health Team at North East Lincolnshire Council, who will then provide our school with a summary of our pupils results. This will help us to ensure that our school is providing the right support to our pupils, and will mean that we can respond to key issues identified by the survey.

If you'd like any additional information about the survey, please contact hazel.stevens@nelincs.gov.uk.

If you do not want your child to participate in the survey, please let the school know by email only to hayness@cbriggs.nelcmail.co.uk by **15/10/21**.

Thank you for your support.

Yours sincerely,

Mrs Redmond

Headteacher
