7<sup>th</sup> February 2020

Dear Parent/Carer

We are looking into the possibility of becoming a cashless school and setting up online payments. This will hopefully make paying for trips and visits easier for both you as parents and us as a school. We will of course keep you updated with regards to this and full instructions will be sent home if we do choose to go down this route. If you have any thoughts on this then please feel free to let the office know.

Alongside going cashless, we are also looking into the possibility of emailing newsletters home. Of course, for those who don't have an email address paper copies will still be available but with so much importance placed on the environment at the minute it would seem to be a sensible option. Letters will still be posted on our website for you to see. Again, any thoughts would be appreciated.

Swimming starts after half term for Year 5. They will be going every afternoon for two weeks. Please ensure they have swimming kit with them every day.

Just a reminder that any children with their ears pierced should only wear small studs to school. This is purely for health and safety reasons as hoops can be easily caught and cause injury.

The last date for ordering school lunches for after half term is Sunday 16<sup>th</sup> February.

If you are missing any school uniform then please feel free to look through the lost property basket near the back door. There are lots of items that need collecting however, they are all unnamed so we aren't sure who they belong to.

Thank you for your continued support. As always, if you have any queries please do not hesitate to contact me.

Kind regards

Mrs Helen Redmond  
Headteacher
