16th March 2020

Dear Parent/Carer

Coronavirus

As I am sure you are aware, the current Coronavirus pandemic is having a huge impact. I would like to reassure you that we are following all guidance given to us by the government and the local authority. Currently, if your child has a temperature above 37.8 or a new persistent cough, please keep them at home for 7 days. Further advice and guidance has been posted on our website.

Also, please ensure your child has a named water bottle in school as we are not using the water fountains at the minute due to the hygiene risk.

If the school has to close we will inform you via a text message and also a post on the website. However, until that time it is business as usual!

Homework Packs To help support the children if they are off for any length of time we are busy putting together some homework packs for each year group. Teachers will be sending some English and Maths work home along with a topic based research activity. Also in the pack will be a list of useful websites the children could look at. One site, Twinkl, have offered free membership for a month. Please find the link below.

www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS.

We hope this will be of use to you to support your child during any time off.

Cross Country

We would like to say a huge well done to all the children who competed in the cross country event at Weelsby Woods last week. They all showed real grit and determination.

SATs

A letter will be going out regarding revision classes for Year 6. Although we are in uncertain times at the minute we still want to provide our children with the best opportunities we can.

Contact Numbers

Please can you ensure we always have an up to date contact number in case of emergency. There have been occasions recently when we have needed to contact parents but phone numbers haven't worked or have been changed without us knowing, this leads to a delay with communication which sometimes could be time critical.
