September 2019

Welcome back to the start of a new school year! The holidays seem to have flown by and here we are again, ready to start a new year of learning.

I would to say a special welcome to all of the new families starting at our school this term, whether they are in Reception class or higher up in the school. We hope you have a fantastic time with us.

As usual, please can we ask that all children bring PE kit in on a Monday and leave it in school until a Friday to take home. Although each class has set days for PE there are occasions when these change so it is always useful to have it in school.

We will be hosting another MacMillan Coffee Morning later in the month – please watch this space for more details!

Our new Community Library will be up and running by the end of this week. Please feel free to borrow a book from the display in the main entrance and either swap it for one you have read from home or just bring it back when you have read it. There are both adult and children's books. You are welcome to use it between 8.45am – 9am and then anytime after school. Please feel free to bring in any books both adult and children's which you have finished with at home – this will allow us to keep a variety of books for you to read.

We will be starting to send a note home if your child doesn't eat their school dinner. This is for two reasons, firstly to avoid upset for the child – they do often get very upset if they don't enjoy their lunch and secondly to try and cut down on waste. It will help you decide with your child what to order. Sometimes you might order something which is new to the child and they try it but don't like it. We hope this is of benefit to you.

As always, if you have any concerns or queries please do not hesitate to contact me and I will do my best to sort it out. After all, if there is an issue and we don't know about, we can't help to make things better.

Your truly,

Mrs Helen Redmond
Headteacher
