1. Scope

This addendum applies until further notice.

Unless covered in this addendum, our normal behaviour policy continues to apply.

We may need to amend or add to this addendum as circumstances or official guidance changes. We will communicate any changes as and when appropriate.

2. Expectations for pupils in school

2.1 New rules

When pupils are in school, we expect them to follow all of the rules set out below to keep themselves and the rest of the school community safe.

Staff will be familiar with these rules and make sure they are followed consistently.

2.2 Rewards and sanctions for following rules

To help encourage pupils to follow the above rules, we will ensure lots of positive praise is given.

However, if pupils fail to follow these rules, we will remind them of what they should be doing and model good practice. If they continue fail to follow the rules then a phone call home will be made and parents informed of behaviour.

2.3 Changed rules

As long as this addendum applies, we will alter the following school rules.

- We will expect children who have a place as a keyworker child to attend on the days they are due in as booked by their parents. A phone call home will be made if they do not arrive by 10mins after their due arrival time.
- Children will be expected to line up in the playground at the appropriate 'bubble' number and to socially distance using the markings on the playground.
- On entering the building, children will be expected to wash their hands.
- Children are not expected to wear uniform but will wear a freshly laundered set of clothes each day.
- Children should not bring anything in from home other than their packed lunch and a water bottle.

- The school will operate a one-way system around the building and both staff and children will be expected to follow this.
- Children will only be able to access the toilets one at a time.
- Children and staff will use pedal bins in the classrooms for tissues – ‘catch it, bin it, kill it’
- Children must stay in their ‘bubble’ throughout the day, even at break times and stay in the marked out areas on the field.
- Children MUST NOT share equipment which is on their desks.
- Children MUST NOT share water bottles or any food from their packed lunch.
- Any child, who spits, coughs or sneezes on purpose at another child or adult will be sent straight to the head teacher or the member of SLT who is in school. A phone call home will be made and the child sent home immediately. They will not be able to return until such time as their class is back in school.

3. Expectations for pupils at home

3.1 Remote learning rules

If pupils are not in school, we expect them to follow all of the rules set out below.

- Try and complete work to the deadline set by teachers
- Seek help if they need it, from teachers by using the Class Dojo messaging system
- Alert teachers if they’re not able to complete work
- Use proper online conduct, such as using appropriate language in messages

3.2 Dealing with problems

If there are any problems with pupils adhering to rules around remote learning, including if they don’t engage with the remote learning set for them, we will:

Contact parents via Class Dojo to check that they are able to access the work.

Make a phone call to home to check how students are getting on and they understand what is being asked of them.

As a last resort, complete paper copies of the work and give parents a set time to collect the work which be left outside at pre-arranged place for collection

4. Monitoring arrangements

We will review this policy as guidance from the local authority or Department for Education is updated, and as a minimum every 3 to 4 weeks by the Head teacher. At every review, it will be approved by the full governing board.

5. Links with other policies

This policy links to the following policies and procedures:

- Child protection policy
- Health and safety policy
- Whole school Covid-19 Risk Assessment
