

COOMB BRIGGS PRIMARY SCHOOL

Sports Premium 2017-18

We are very proud to have been awarded the Sainsbury's Active Gold Award for our commitment to school sport and games for 4 years running. We are the only school in the region to have attained this. We are therefore eligible to qualify for the Platinum standard in 2017.

The Government is providing funding of £150 million per annum until 2020 to provide new, substantial primary school support funding. This funding is being jointly provided by the Departments for Education, health and Culture, Media and Sport and will see money going directly to schools to spend on improving the quality of sport and PE provision for all pupils.

Coomb Briggs Primary School has received **£9550** to spend this year on sports provision within the school.

The funding will enable us to:

- To ensure high quality PE is being taught throughout the school.
- To work with sports specialists and coaches to enhance PE lessons.
- To provide a wide range of sports and activities for children to get involved in.
- To raise awareness and encourage students to lead a healthy active lifestyle.
- To regularly participate in a range of activities and sporting competitions between local and regional schools.
- To have partnership at Gold level with the local SSP

We have chosen to spend this year's funding on the following:

- School Sports Partnership will provide a range of opportunities for students to participate in local competitions and festivals.
- School Sports Partnership will provide professional development opportunities for staff to add to and enhance individual skills, to develop and deliver the best level of PE provision possible.
- Teachers and support staff will be working alongside professional coaches and specialists to further improve their skills, enabling PE provision within the school to be of a consistently high standard.
- New sports equipment for PE lessons will be bought to ensure we have the correct resources to teach high quality sessions.

COOMB BRIGGS PRIMARY SCHOOL

FOCUS AREAS/PRIORITIES	ACTION	COST	ENGAGEMENT/ YEAR GROUPS	IMPACT
