Dear Parent/Carer,

We are delighted to let you know that we are able to start the 'Beanstalk' program again in school. This is a program which ran successfully a few years ago and involves people from industry and professionals from the local area coming into school and holding reading sessions with children.

The aim of these sessions is to try and further raise standards in reading as well as promoting a love of books. A set of brand new books provided by Beanstalk has just arrived in school. Initially, the children in Years 5 and 6 will benefit from the sessions but throughout the year, all year groups will be given the opportunity.

We will try and timetable sessions so that the children do not miss key learning opportunities in their classes.

The visitors into school have all had appropriate training from Beanstalk and are also fully DBS checked before they start.

We hope your children find these sessions enjoyable when they take part. As always, if you have any questions regarding the above, please do not hesitate to contact me.

Yours truly,

Mrs Helen Redmond
Headteacher
