

COOMB BRIGGS PRIMARY SCHOOL
BIKEABILITY
2017

Dear Parents,

I am delighted to announce that a **Bikeability** scheme is available to the school with a focus on Year 5 pupils. This has been provided by the School Sports Partnership and the county Road Safety Team.

Initially we need to know whether your child has access to a bike appropriate to their physical size. Please do not buy a bike especially for the event - pupils who own a bike may be willing to share their bike with another pupil.

The training will take place over 2 days on **Monday 9th October and Tuesday 10th October 2017**. Most of the training will be inside the school grounds or on the quieter roads near to it.

Even when the course has been completed your child will not be skilful enough to cycle on main roads unaccompanied, especially Pelham Road and busy congested junctions. Roval Drive is particularly hazardous at the start and end of the school day as you know. The course is aimed at promoting awareness of the safe condition of bikes, responsible riding and basics of road safety.

Please complete the slip below together with the attached consent form and return to school by **Friday 29th September 2017**.

Yours sincerely,

Jayne Day

Headteacher

BIKEABILITY 2017

NAME OF PUPIL:

PLEASE TICK :

We wish our child to participate in this scheme.

We do not wish our child to participate in this scheme.

We are able to provide a bike on both dates.

We are happy for our child to share his/her bike with another pupil for the duration of the scheme.

I / We understand that completion of this course does not automatically entitle my child to ride their bike to school, or certify them to be safe in all traffic situations.
