

COOMB BRIGGS PRIMARY SCHOOL

IN BLOOM 2017

Dear Parents/Carers,

Next week we are expecting visits from judges linked to East Midlands in Bloom and there is a possibility that a BBC film crew will be visiting us too! The school has won many awards in the past and we are very proud of our school grounds and the opportunities available for environmental studies.

The Friends of Coomb Briggs have recently assisted us to purchase new raised beds and planters and we are currently redeveloping the inner courtyard as an outside learning area, which all children will have access to.

We would like to invite families to enter a **competition** to help our school look extra special next week. We have been overwhelmed by the response we have had to previous competitions and we hope that this one will be more visible to everyone.

There are 3 categories, with prizes awarded to the best in each. You may enter as many as you wish. Please do not put names on the entries. I am sure children will be able to identify the winning pieces.

Thank you

Jayne Day
