July 2018

Well, I genuinely can't believe we are almost at the end of term! I say it every time, but it really does seem to have flown by. The children have enjoyed their transition days and all of the summer activities and trips that have been taking place and we are now on the countdown to the long holidays...let's hope the weather stays good!

Bags to School

Thankyou to everyone who cleared out wardrobes and brought in bags of clothes, we raised £32 which is a great start! Another collection is due around October so look out for the bags being sent home in the Autumn term.

Easyfundraising

Please could we ask that you take a minute to look at the 'Easyfundraising' app and, if possible, you sign up to it to support Coomb Briggs. Once signed up, all you need to do is to go through the app to do your online shopping but you can earn money for the school as you do it. Up to last week we had 61 supporters who have helped us to raise £84.59. A big thank you if you have already signed up!

Pond

We are still waiting to go ahead with our pond area. With us having Ofsted and then the term seeming to disappear we have run out of time this year but we are still looking to go ahead early next term if we can! Thankyou to everyone who did a design for it, they are safely stored in my office and we will be looking at them soon! If you donated plants on our non-uniform day these have been planted up in our decked area near the library for the children to enjoy.

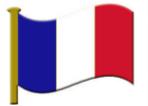

Breakfast Club

Breakfast club continues to be a success. Please remember to book your places through the school office. Could I please also remind you that children should not be in school for breakfast club until 8.00 a.m., they are not insured to be on site until this time. Could we also ask that you do not use the staff car park to drop children off in, this is purely for their own safety.

Madame Fleming

Sadly, Madame Fleming will be leaving us at the end of this term. She has made the decision to retire and, although she will be missed, we would like to wish her a very happy retirement and say a big thank you for all the hard work she has put into teaching our children French.

September

From September we will be starting a new morning routine. Children will be allowed onto the playground from 8.45 a.m. and there will be a ten minute 'playtime'. Children will be supervised by staff however, they will not be supervised before this time so please do not arrive early and leave them. At 8.55 a.m. the bell will go and the children will line up and then be collected by their class teacher who will take them into school. If you need to speak to their teacher and it is only a very quick message then please do so, however, if you have a longer message to pass on then please arrange a more convenient time or speak to the school office staff. Hopefully this new routine will ensure a smoother transition into classrooms for our morning learning. Obviously if the weather is bad then the children will come straight in.

Class Names

As you may be aware, the school currently has a focus on reading. With this in mind, we have decided to give the classes names instead of just being known by their year group. Each class will have an author's name...

Class R: Donaldson Class

Year 1: Carle Class

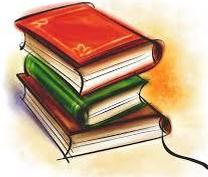

Year 2: Seuss Class

Year 3: Dahl Class

Year 4: Walliams Class

Year 5: Rowling Class

Year 6: Kinney Class

All of the classes will display their new names in September.

Along with the new names for classes based on authors, we will be holding a reading competition over the summer. We want to see the strangest place possible to read a book! Please take a photograph of your child reading a book in the strangest/funniest place they can find and bring it into school during the first week back in September. There will be lots of prizes for different ages and classes and overall Key Stage 1 (Reception, Year 1 and Year 2) and Key Stage 2 (Year 3 to Year 6) winners will receive a £10 book token each.

Lunch Orders

Please be aware that lunches can be ordered from 16/07/2018 for September, however, the final date for ordering for the first week back is 26/08/2018. When you register online, please remember to tick the box which asks if you wish to be sent reminders regarding ordering meals, it is always useful to get them!

Uniform

There will be no changes to the school uniform for September. Reception through to Year 5 will continue to wear polo shirts and jumpers/cardigans and Year 6 will wear shirt and tie as per previous years. Uniform can continue to be bought from Uniform Direct.

Assemblies

From September we will be holding a 'class assembly' each half term. If it is the turn of your child's class, you will be invited in to see it, we do hope you will be to come and watch them! A timetable for the year will be sent out early in September so you can see when it is your child's class.

Friday

The children are welcome to bring a toy/game to play with but please be aware that school can take no responsibility if they get lost or broken. It may be an idea not to bring anything too expensive or precious!

Finally, I would like to take this opportunity to thank you all for your support over the last two terms. A school cannot function without fantastic children and supportive parent's, you are all an integral part of the school team.

I hope you all have a fantastic holiday and that the children come back refreshed and enthusiastic on **Tuesday 4th September** ready for the start of a new school year.

Yours truly,

Mrs Helen Redmond
Headteacher
