Dear Parent/Carer,

I wanted to write and introduce myself ready for the start of the new term in January as it will soon be upon us!

I am really looking forward to joining the staff and children at Coomb Briggs School and am sure that we all have a very exciting future together!

I have been in the teaching profession since 1997, having spent three years in a Secondary school before teaching for ten years at a primary school in the Lincolnshire Wolds. I have been at my current school for nearly eight years, initially as assistant head and subsequently as headteacher. I really enjoy my job and am passionate about making a difference to the lives of children. Any decision I make will have the children's best interests at heart.

I am married and a mum to three wonderful children, twins of 17 and my son who is 12, so I know how busy daily life can be! I want you to know that my door will always be open. If you have a problem then please, come and speak with me and I will do my best to help. After all, if I don't know about a problem, I can't try and solve it!

I have been into school several times and met with the staff and children and yesterday I met with the school council who were absolutely amazing! The children in the school are an absolute credit to you as parents and carers and you should be very proud of them all!

I am looking forward to being in school again next week at the Christmas Gala and again at the Christmas Grotto event. It would be lovely to meet as many of you as I can so please, come and say hello!

Yours truly,

Mrs Helen Redmond  
Future Headteacher
