20th April 2018

Welcome back to the start of the summer term! The children have settled quickly back into school life and we are looking forward to a busy but exciting term.

Weather:

Typically the sun has started to shine now we are all back at school! Please ensure that your child brings a water bottle to school with them, preferably filled with water and not juice, and also a cap/sun hat. It would also be helpful if you could apply sun cream before they come to school, preferably one that will last all day. As you know, we are not allowed to apply it on them in school. Children are allowed to bring sunglasses, especially if they suffer from hayfever, however, it is up to them to look after their glasses and school will take no responsibility if they are lost or broken.

Yurt:

As many of you will have noticed the yurt has gone from the field. We had several people come and look at it in respect to renovating it, however, unfortunately it was beyond repair. Our plan now is to develop the outdoor learning for the children and we are going to be developing a new pond area for the children to enjoy. Over the next few months we will be fundraising for this, starting with a non-uniform day on Friday 4th May. Children will be asked to either bring a voluntary donation of £1 or, if they prefer a plant that we could use either in the pond or in one of our wooden planters. We are currently in touch with ABP and they have very kindly offered some help with this project which we are very grateful for. On Monday we will be launching a competition for the children to design the pond area.

Open Afternoon:

We will be holding an afternoon tea party on Friday 18th May to celebrate the Royal Wedding. Please come and join us! More details will be sent in the next couple of weeks but we would love you to come and spend time with your children in their class and also have afternoon tea as a treat!

Staffing:

Miss Nicholson is leaving us today to start her maternity leave, this is slightly earlier than planned but everything is in place to cover her class. Mr Sylvester will be taking over as class teacher and as the children already know him this should be a very smooth transition. We wish Miss Nicholson all the best and will keep you posted on any news of the new arrival!

As always, please contact me if you have any worries or concerns. If we don't know about an issue we can't try and resolve it! Thank you for your continued support.

Yours truly,

Mrs Redmond
