Dear Parent/Carer

I can't believe that we are nearly at the end of the term! Time seems to have flown by. The children have been working extremely hard and have really welcomed me to Coomb Briggs.

I just wanted to let you know of a few things that will be happening over the next few weeks.

Breakfast club will be up and running soon. We are currently looking at the staffing structure and once this is sorted we will be ready to go. Nearer the time, a booking form will be sent home for you to complete should you wish to use the facility. Numbers may be restricted initially until we have a full staff in place for it.

We are looking at introducing a text messaging service for contacting parents. If your child is ill in school we will still phone home however, the text service will be a convenient way of letting you know any other information we may need to give you.

We are also going to be switching to an online service for ordering school meals. Our meal provider will be sending all the information out to you before Easter and we will be looking to go live with this straight after the Easter break. Don't worry if you don't have the facility to order on line, there are other ways of ordering which will all be explained in the information you receive.

During the next half term we are also planning on holding an open morning where you will be able to come into school and see what wonderful learning is taking place. There will also be the opportunity to meet myself and hopefully some of the governors. Refreshments will be served in the hall and we do hope that you will take the opportunity to come in and see us!

As always, if you have any questions about any of the above then please, do not hesitate to contact school or myself.

Thank you for your continued support.

Mrs Helen Redmond

Headteacher
