13th June 2018

The time seems to continue to fly by and we are now racing towards the end of the summer term! This term is set to be very busy with all of our sporting and end of term activities taking place.

Well done:

A big well done to our sporting teams who continue to excel at all the events they take part in. I am so proud of all the children who represent our school and they never cease to amaze me at how well they achieve.

Ofsted:

As you know, our school was inspected last week. The outcome remains confidential until the report has been written but as soon as we are able too, we will share it with you.

Bags to School:

Your child will be bringing home a 'Bag to School' bag in their book bag. This is a way for us to fundraise by collecting quality, second hand clothing which is then collected by Bags to School. The more we collect, the more money we raise as we get paid by the kilo. There are clear instructions on the bags as to what can and can't be sent in. Please bring bags into school on 27th June for collection, do not bring them any earlier as we have nowhere to store them. It would be great if you could help the school out!

Fence:

As many of you know, our site security is in need of updating and, with this in mind, I am pleased to inform you that a new perimeter fence will be installed around the field week commencing 7th August. This has been planned since February but these things always seem to take time and, of course, it is always better to have workmen on site when children are on holiday.

Lunches:

It has been brought to our attention that some of you may have some questions regarding hot school meals. Please can we ask that you contact the school office so that we can address these individually and if we can't help, then we can direct you to the correct contact at Chartwells who should be able to sort things out.

Dates:

A list of dates will be sent out to you later this week with everything that is happening this term, it certainly promises to be busy!

As ever, if you have any queries or concerns please do not hesitate to contact us so we can help to resolve them. If we don't know about them, we can't help you!

Thank you for your continued support.

Yours truly,

Mrs Helen Redmond

Headteacher
