

Coomb Briggs Primary School

Dear Parent

Following the retirement of Mrs Day the governors of the school have appointed a new Head Teacher from 1st January 2018

The governors advertised the post both nationally and locally and received six applications as a result. Following an intensive shortlisting , which also involved an advisor and a Human resources representative from North East Lincolnshire, we invited three candidates for interview.

A rigorous interview process, including presentations and other tasks took place over two days.

The new Head will be Mrs Redmond who is already an experienced head teacher. She is looking forward to meeting all parents at the start of the spring term. She has already toured the school and met with the children.

Mrs Redmond will be visiting our school regularly over the next half-term to ensure a smooth transition ready for next term.

On behalf of the Governing Board
