

About the team...

Lincs Inspire's sports development coaches work across a number of schools in North East Lincolnshire delivering Bikeability, PE lessons and extracurricular activities.

Coaches are qualified to a minimum Level 2 in Multi-skills Development in Sport and in Principles and Preparations for Coaching Sport. All are DBS checked and hold Emergency First Aid and Safeguarding Children certificates.

Individual qualifications are wide-ranging including athletics, gym instruction, cheerleading, zumba, Speech Therapy, ADHD and Epilepsy Awareness. They are experts at getting the most out of the children they teach.

Here's what our customers have to say...

"My son had a 1:1 bike lesson with Paul this morning and he was brilliant. Not only did he get him riding with no stabilisers finally, he kept him engaged and motivated the whole hour even through the rain! Highly recommended to anyone! Thank you from myself & Lucas." Charli Tracey.

"Harvey loves the half term activities here and never wants to come home :-)" Daniella Heard.
