Dear Parent/Carer

Routine Vision and Hearing Check

Your child has now reached the age where a member of the School Nursing team will be undertaking a routine vision and hearing check. The purpose of this is to support your child's learning, health and social development and this will take place in your child's school within the next few months. The check will only take 10 minutes out of the school lesson and you will be notified of these results.

If you want any more information about this screening please do not hesitate to contact your School Nurse.

If you wish to **opt out** of this check, please notify us in the next 2 weeks by writing to: School Nursing Team, Opt Out Vision and Hearing Check, Molson Centre, Kent Street, North East Lincolnshire. Alternatively, you can telephone (01472) 323660 to speak to a member of the School Nursing team.

Thank you.

Karen Goy
School Nurse Manager
