## Science Focus Week Monday 11th March - Friday 15th March 2019

28<sup>th</sup> February 2019

Dear Parents/Carers,

Due to the success of 'Science Focus Week' in previous years, we have listened to our pupils' ideas and created an action packed timetable of events to make this year's 'Science Focus Week' the best yet!

We want to keep an element of surprise for the week, but here is a snippet of what can be expected:

### School Time Activities

#### **Monday – Whole school project - Make the perfect slime!**

Please could we ask for donations of small empty plastic pots e.g. yogurt pots.

#### **Tuesday – Classroom based science opportunities based on pupil voice.**

#### **Wednesday – Classroom based science opportunities based on pupil voice.**

#### **Thursday – Whole school project – Science/History museum of famous scientists.**

Each class will study a famous scientist and turn their classroom into a museum. Adults will be invited after school to take a tour of the whole school museum with their child.

#### **Friday – Whole school project – Comic Relief**

We will be raising money for charity by engaging in science about our bodies. You may come to school in red themed sports clothes and trainers as we will be getting active! We will be having a bake sale at break times to re-energise with prices starting from 20p.

There will also be pots of slime available to buy from Monday's slime day (price to be confirmed) and the money raised will go to Comic Relief.

## After School Activities

There will be an opportunity for every child to attend **one** free after school club during 'Science Focus Week'. Don't worry if you can't attend because there will be a lunch club as an alternative.

Please tick which club you would like to attend. We aim to offer every child their first choice. However, if a club reaches its maximum capacity, you will then receive your second choice. The clubs will be offered on a first come first serve basis.

All clubs will run until 4.15 p.m. Reception, Year 1 and Year 2 MUST BE COLLECTED.

A confirmation letter will follow, outlining the club your child has been accepted on. This letter will ask for formal consent and ask you to complete details about collection after the club.
