22nd November 2018

Dear Parent/Carer and Students,

As many of you will know, in school we have a seasonal tree. We would like to change its theme to snowflakes and we would like the students at Coomb Briggs to help by being creative at home.

The snowflake can be made from any material you wish – wool, buttons, beads, paper, card etc. We have placed some images at the bottom of the letter to inspire you. We just ask that:

- it is no bigger than your hand so that we have enough room to fit plenty on.
- it has some sort of loop so it can be hung from the tree.
- your first name and class are somewhere visible on it so we know who created it.

Once created, please send them to your class council representatives who will help you put it on the tree. We are happy to receive these at any point over the winter period.

We hope you like the Idea! It will look very festive.

Thank you,

Mia and Hayden on behalf of the school council.
