26th February 2018

Dear Parent/Carer

I am sure that you have all been watching the weather forecast over the past few days and I just wanted to update you on school procedures should the bad weather hit us.

If school cannot open, a text message will be sent to all parents as early as possible in the morning. There will also be an update on the website as well as Capital FM, Lincs FM, BBC Radio Humberside and Compass FM being informed. However, school will only close as a last resort.

If we have to close early during the day then, in the first instance, a text message will be sent out. If we cannot contact you then we would use the emergency contact numbers provided for your child. It may also be necessary to cancel after school clubs to allow staff and children to get home safely as soon as possible after the school day finishes but again, we will let you know.

Please ensure that children bring appropriate clothing for the weather as we will endeavour to let them have playtimes outside as much as possible. It would be appreciated if they could bring alternative footwear for outside such as wellies or boots so at least they can be warm and dry indoors in their school shoes.

In the meantime, we will keep checking the weather and hope that it isn't too disruptive for us!

Mrs Helen Redmond

Headteacher
