Dear Parents/Carers

On the calendar that we sent out to you a few weeks ago we posted that the annual reports would be released on 3rd July with parent/carer consultations the following week.

Unfortunately we have to change these dates, as we will not have received results of statutory tests by that time.

We are therefore aiming to send reports out by 12th July at the latest with parent consultations being offered the following week.

Please can we remind parents/carers that it is Sports Focus Week, beginning 26th June. Children may come to school in PE clothing and footwear if they wish in order to save time getting changed. Consideration needs to be given to the weather forecast with clothing to cover all possibilities of extreme heat/cold. Most of the events will be outside. We have an exciting timetable with a wide range of challenges for them to take part in. A pair of alternative sports shoes is advisable for indoor activities especially if it is damp outside.

Yours sincerely

Jayne Day
