Dear Parents/Carers

As part of our project 'Family Album' we will be looking at different types of families and how all families are different. The children will be involved in discussions around the different family units there are and will be taught that all families are special.

We have a variety of books that we would like to use as resources when discussing the topic with the class.

The books look at different types of parents from Mum and Dad, adoptive parents, same sex parents, step parents, single parents, parents living apart and grandparents who look after their grandchildren. They also look at other family members and discuss that some families are large and some are small.

The lessons will not go into great depth about the above topics, but will prompt discussion that all families are different and special in their own way.

We will be looking at teaching these lessons over the next couple of weeks. If you have any concerns or questions, please do not hesitate to see myself or Mrs Foster.

Thank you

Mrs Holdsworth
Year 1 Teacher
