8th December 2016

Dear Parents,

Once again we have had reports of head lice in school. Please check your child's hair daily and take the necessary action if required. As you are aware more than one treatment is normally required.

Parents have expressed their concern that they are having to treat their child on a daily basis which indicates that there are cases within the school that are not being treated, which makes it very difficult to eradicate the problem. We please ask that you take a responsible approach to this issue.

All pupils must have their hair tied back.

Thank you for your assistance.

Jayne Day
Headteacher
