Dear Parents/Carers

We would like to invite you to a meeting regards your year group's potential residential visit to PGL. The meeting will be on Friday 22nd September at 3.30 p.m. in the school hall. We know this is early but in order to give you enough time to pay/consider your options we feel it only fair to inform you as soon as possible. Many will think that the children are too young but this will take place in 2018, meaning your child will be 10 or 11 years old by this time.

Amongst other things we will discuss the benefits of such a venture and the reasons we have started to offer a residential visit. There will also be an opportunity to express your thoughts on the time of travel. October is a cheaper option and offers a unique bonding experience for the children at the start of Year 6. Whilst July is more expensive but gives you longer to pay and can be seen to be a reward. Both are valuable options.

We look forward to meeting you and answering any questions you have. However, if you have anything you want to ask directly, please use the form below.

Regards

Mr Friggieri
