Dear Parent/Carer

In Year 5 we collect team points and aim towards a class reward. The children decided on the rewards they wanted in September and they voted for:

50	team points	=	A party
100	team points	=	An electronics session
200	team points	=	An own toys day

We had the party in December and I am now pleased to inform you that every child is now on 100+ team points.

As part of the Year 5 class reward system the children asked for an electronic session for everybody gaining 100 team points. I am very pleased to announce this is now the case. Therefore the class will be permitted to bring in a small hand held device **tomorrow**. Please note there will be no wifi codes given out but the school ipads will be used. It is advisable that hand held machines like PSP or DS are the preferred option. Sadly no mobile phones will be allowed for this session.

If the children come round to the door of Year 5 classroom they can safely store their 'gadgets' in my cupboard for the day. Once again those not bringing any item in will not be at a disadvantage as technology will be provided.

Yours sincerely

Mr S. Bell

Year 5 Teacher
