OCTOBER 2018

It has been another busy term so far! Thank you to everyone who attended the Macmillan Coffee Morning, we raised a fantastic £544.65! We are looking to hold a Christmas Coffee morning at the end of the Christmas term with proceeds going to the Hospice Day Centre. More details will follow later but we do hope you will join us.

School Council

The week before half term we will be holding elections for the school council. We will be looking for members from each class to be on the council .

Illness

We have had a lot of children off with a sickness and diarrhoea bug. Please can we remind you that children should not return to school until 48 hours after their last bout of illness. These are government guidelines to help stop the spread of infection.

PGL

As many of you will be aware our Year 6 children visit PGL next week. They will be accompanied by Mr Friggieri, Mrs Johnson and Mr Bell however, on the Wednesday, I will swap with Mr Bell. He will return to school and I will stay with Year 6 until they return from their trip. This ensures there will be a senior member of staff both away with Year 6 and also at school. Mr Bell will be back with his class too as I am sure they will have missed him! Remember to keep looking at our Facebook page of updates.

Friends of Coomb Briggs

If anyone is interested helping and supporting our 'Friends' group please ask at the school office and we can give you more details. They really are a great bunch of people and work so hard to raise much

needed funds for the school. I know there are lots of exciting things planned in the run up to Christmas and your help would be greatly appreciated!

Aspirations Week

Week commencing 15th October we are holding an 'Aspirations Week' in school where we have visitors coming in to talk to the children about different jobs and what they do. So far we have a pilot from BA, a female engineer from Balfour Beatty, a veterinary nurse, and several other people coming in. We do hope the children will get a lot from it and enjoy seeing what people do. If you would like to share your careers with our children and spend some time talking to them then please let us know.
